Power Women: August 2012

Wikipedia pre- and post-Sue Gardner are two completely different organizations. When she arrived at Wikimedia, the nonprofit behind Wikipedia, in 2007, the organization had under 10 employees and was raising less than \$3 million dollars annually. In 2011, Wikimedia's number of donors had increased ten times over, raising \$23 million. Gardner is focused on expanding Wikipedia's scope for readers and [...] more
